Young Actors' Theatre

A California Non-Profit Organization

"A Theatre Experience That Lasts a Lifetime!"

Young Actors' Theatre (YAT) is dedicated to providing professional level theatrical training to children of all ages and abilities. Initially founded by Jean Isaac as an after-school program, YAT has now expanded its vision to include seven major musical productions, multiple theatre camps, and an annual Holiday show.

YAT's goal is to provide a multitude of theatrical elements to interested students in a caring, non-competitive atmosphere, all under one roof. Each student and their family are an integral part of YAT's success. The performer and YAT form a partnership, bringing imagination and adventure to the theater experience. Ultimately, this partnership produces an extraordinary experience for all to enjoy!

Young Actors' Theatre teaches students about creative group dynamics and help each individual child grow and play at their own pace. Outgoing children find a place to strut their stuff. Shy children find a comfortable, nurturing place to build their confidence and self-esteem! Young Actors' Theatre offers more than just training for theatre, we offer a theatre experience that lasts a lifetime!
